Time: 8:00 AM - 5:00 PM

Date: Saturday, March 29, 2008

Location: Hyatt Huntington Beach, 21500 Pacific Coast Highway, Huntington Beach, CA 92648

Organizer: Sino-American Biomedical and Pharmaceutical Professionals Association (SABPA)

Overview

This is a premier annual technology and business conference for entrepreneurs, scientists, industry executives, investors, and policy makers in the biomedical industry in Southern California and Pacific Asia. You are cordially invited to join our members and sponsors in enjoying the event. For more information about SABPA, please visit www.sabpa.org.

At this event, leading local and global biomedical companies including Irvine Biomedical, Inc. (part of St. Jude Medical), Allergan, BioExplore (part of Charles River Laboratories), Boston Scientific (Future Technologies), Biomedical Strategies, Newport Medical Instruments, Synergy Life Science Partners, Stradling Yocca Carlson & Rauth, Krieger Worldwide, and Discovery Medical, Inc. will present:

- The latest trends and future technologies in the biotech, pharmaceutical, and medical device industries in the US and Pacific Asia
- Commercial opportunities and stories of successful young companies in the US and Pacific Asia
